Find your test results from:

• Your health care provider if they performed or ordered your test.

• An online patient portal if you were tested by a lab.

• Your smartphone using the Healthy Together app—find the app in the Google Play Store or the Apple App Store and search for Healthy Together and download.

The following information is not available through the call center:

• Medical advice on whether you should be tested.

• Which health care providers have tests or how many tests they have available.

• Your COVID-19 test results.

Pre-register for vaccine at state-supported sites at MyVaccine.FL.gov.
